VWR presents the STELLARIS 8 by *Leica*

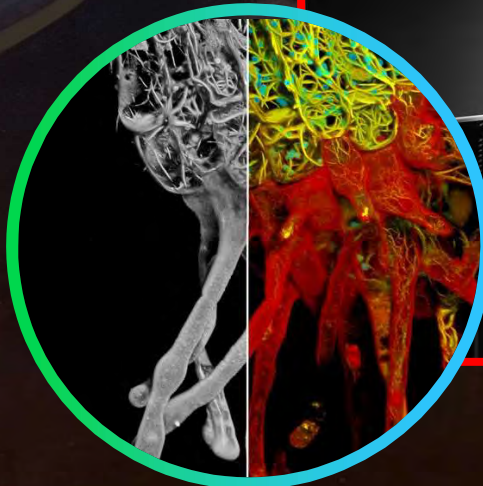

"Look Out of this Galaxy and Into a Smaller One"
Come check out your samples on Leica's new
confocal system!

- Learn about the "Force" (Power, Potential, Productivity) of the completely re-imagined confocal microscope platform.
- Sign up for a demo and bring your own sample.
- Drop in and watch the system in action!

What: Leica Stellaris 8 Workshop

When: 8 – 16 June 2022

Where: Dr. Dave Weitz's Lab
9 Oxford St - LISE 424
